## GENERAL INFORMATION

This announcement is prepared for teachers who live within commuting distance of the Urbana campus and who wish to take graduate work on Saturday mornings or in the evenings during the first semester, 1959-1960. The information given here should be supplemented by that found in the regular Graduate College bulletin, which is published every two years, and in the Time Table of courses which is issued for each term. Copies of these publications can be obtained from the Graduate College Office, 207 Administration Building (East).

Teachers employed full time may not register for more than one unit each semester in campus courses, extramural courses, or a combination of the two. In addition to earning credit, a degree candidate must spend a certain period of time in residence. The residence requirement can not be met through extramural course work or by commuting to the campus to take courses on Saturday mornings, late afternoons, or evenings. For a definition of residence, see the Graduate College bulletin.

### New Students

You can register only if you have applied for admission and have received a permit to enter. Admission forms may be obtained from the Graduate College or the Office of Admissions and Records. If you wish to avoid unnecessary delay and confusion on the day you register, you should submit these forms to the Dean of Admissions and Records at least four weeks prior to the registration period.

### Former Students

If you were registered in a campus course in the second semester of 1958-1959 or in the 1959 Summer Session, an authorization card will be prepared for you automatically. However, if you have not been registered for one or more terms, you should submit an application for readmission as early as possible, preferably four weeks before the registration period.

## REGISTRATION

Graduate registration will take place from Wednesday, September 16, through 2:00 p.m., Saturday, September 19. Instruction begins on Monday, September 21. A penalty fee of \$5.00 will be assessed former students who register later than Saturday, September 19, except that teachers who

60  
wish to enroll for a Saturday morning, late afternoon, or evening course may register Monday through Friday, September 21 through 25, from 9:00 a.m. to 12:00 noon and 1:00 to 4:00 p.m., without payment of this fee. Offices will not be open Saturday, September 26, for purposes of registration.

## **ADVISERS**

Each new student must consult with an adviser and plan a program of study before registering for his first course. A student who wishes to major in education should call at 105 Gregory Hall to select an adviser in the area of specialization. A secondary school teacher who wishes to enroll in one of the fifth-year curricula in the teaching fields should consult with the appropriate adviser as shown below.

## **GENERAL INFORMATION**

This announcement is prepared for teachers who live within commuting distance of the Urbana campus and who wish to take graduate work on Saturday mornings or in the evenings during the second semester, 1959-1960. The information given here should be supplemented by that found in the regular Graduate College bulletin, which is published every two years, and in the Time Table of courses which is issued for each term. Copies of these publications can be obtained from the Graduate College Office, 207 Administration Building (East).

Teachers employed full time may not register for more than one unit each semester in campus courses, extramural courses, or a combination of the two. In addition to earning credit, a degree candidate must spend a certain period of time in residence. The residence requirement can not be met through extramural course work or by commuting to the campus to take courses on Saturday mornings, late afternoons, or evenings. For a definition of residence, see the Graduate College bulletin.

### **New Students**

You can register only if you have applied for admission and have received a permit to enter. Admission forms may be obtained from the Graduate College or the Office of Admissions and Records. If you wish to avoid unnecessary delay and confusion on the day you register, you should submit these forms to the Dean of Admissions and Records at least four weeks prior to the registration period.

### **Former Students**

If you were registered in a campus course in the first semester of 1959-1960, an authorization card will be prepared for you automatically. However, if you have not been registered for one or more terms, you should submit an application for readmission as early as possible, preferably four weeks before the registration period.

## **REGISTRATION SCHEDULE**

Teachers who are unable to be here during the regular registration period should plan to register on Saturday, February 6, between 8:00 a.m. and 12:00 noon. University offices *will not be open for registration purposes* on Saturday, February 13.

The regular registration period begins Monday, February 8, and extends through Wednesday, February 10. Teachers may register any following weekday during regular office hours *prior to the first meeting of the class* and no late fee will be assessed. However, the late registration fee will be charged all former students who register after the first meeting of the class.

## **ADVISERS**

Each new student must consult with an adviser and plan a program of study before registering for his first course. A student who wishes to major in education should call at 105 Gregory Hall to select an adviser in the area of specialization. ## **GENERAL INFORMATION**

This announcement is prepared for teachers who live within commuting distance of the Urbana campus and who wish to take graduate work on Saturday mornings or in the evenings during the second semester, 1960-1961. The information given here should be supplemented by that found in the regular Graduate College catalog, which is published annually, and in the Time Table of courses which is issued for each term. Copies of these publications can be obtained from the Graduate College Office, 207 Administration Building (East).

Teachers employed full time may not register for more than one unit each semester in campus courses, extramural courses, or a combination of the two. In addition to earning credit, a degree candidate must spend a certain period of time in residence. The residence requirement can not be met through extramural course work or by commuting to the campus to take courses on Saturday mornings, late afternoons, or evenings. For a definition of residence, see the Graduate College catalog.

### **New Students**

You can register only if you have applied for admission and have received a permit to enter. Admission forms may be obtained from the Graduate College or the Office of Admissions and Records. If you wish to avoid unnecessary delay and confusion on the day you register, you should submit these forms to the Dean of Admissions and Records at least four weeks prior to the registration period.

### **Former Students**

If you were registered in a campus course in the first semester of this academic year, an authorization card will be prepared for you automatically. If you did not register during that term, you must submit an application for readmission.

## **REGISTRATION SCHEDULE**

The regular registration period begins Monday, February 6, and extends through Wednesday, February 8. Teachers wishing to register in the Graduate College who are unable to come to the campus during that period may register Saturday, February 4 (8:00 a.m. to 3:00 p.m.) or on Thursday and Friday, February 9 and 10 (8:00 a.m. to 12:00 noon and 1:00 to 5:00 p.m.). *Offices will not be open for registration on Saturday, February 11, 1961.*

## **ADVISERS**

Each new student must consult with an adviser and plan a program of study before registering for his first course. A student who wishes to major in education should call at 105 Gregory Hall to select an adviser in the area of specialization. A secondary school teacher who wishes to enroll in one of the fifth-year curricula in the teaching fields should consult with the appropriate adviser as shown below.
